

44TH ANNIVERSARY OF THE BIRTH OF HIP-HOP

Access the Google Doodle from 11th August, 2017 from <https://www.google.com/doodles/44th-anniversary-of-the-birth-of-hip-hop>

Watch the introduction video, and then complete all ten goals by clicking the goal icon in the centre of the screen and completing the tasks listed. You must complete the goals to get the answers to the questions below.

1. Who was the first DJ to highlight the instrumentals of a record to emphasise the drum breaks?

2. Who is regarded as the inventor of turntable scratching?

3. What was the name of hip hop's first all-female trio?

4. What was the name of Sal Abbatiello's hip hop club in the South Bronx?

5. Who is widely credited with creating some of the pioneering breakdancing moves such as the 'W' and the 'Windmill.'

6. Who was one of the first performers to both DJ and MC?

7. In 1984, who scored a hit with 'Roxanne's Revenge'?

8. What did Grandmaster Flash pioneer?

9. What was the first hip hop video played on MTV?

10. Sylvia Robinson was the founder of which record company, that produced some of hip hop's earliest commercial hits?

Extension Activity: Research more about one of the hip-hop pioneers you've learned about and write a short presentation to share with the class about their music and their influence on hip hop music.

Interactive thanks to Google & their creative team.
