FIND A WORD 1

In the big square, find and cross out the words from the list of musical words. There are words running down, across and left-to-right diagonal but none running upwards.

The remaining letters (in order) make up the answer to this musical trivia question:

Which American folk singer-songwriter and activist, whose father co-invented the x-ray microscope, has a three-octave vocal range?

- | | | | | |
|-------------|--------------|------------|----------|----------|
| accelerando | coda | harp | ocarina | trombone |
| adagio | diminuendo | idiophones | piano | tuba |
| allegro | flute | jiaohu | plectrum | viola |
| andante | forte | legato | presto | violin |
| bassoon | french horn | lute | rest | zither |
| beat | glissando | minim | segno | |
| chromatic | glockenspiel | moderato | staccato | |
| clef | harmonica | oboe | triangle | |
