

We want to start  
**MARIMBA BAND**  
in our school!

*Why?*

Marimba Band brings students together and encourages working as a team.

Anyone can be involved, no matter their ability level or experience.

We will be able to create show-stopping performances!

We can showcase our school in public.

Fantastic FUN for the students involved!

Don't take our word for it.

Go to [youtube.com](https://www.youtube.com)

and search "marimba band" to see for yourself.
