

Notes in the bass clef

To name the bass clef notes, you can memorise that C is the note on the third space down, and count the notes up and down from there.

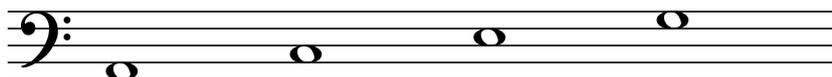

C D E F G

Or, you can make up rhymes to remember the names of the bass clef notes.
On the lines:

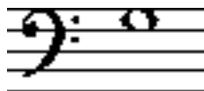

G _____ B _____ D _____ F _____ A _____

In the spaces:

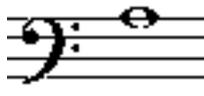

A _____ C _____ E _____ G _____

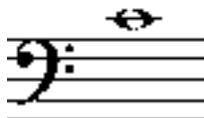

Match each note to its name:

A

C

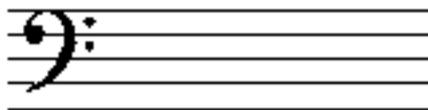

B

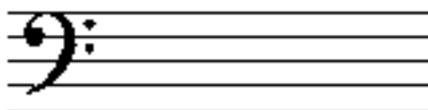

G

Write the following notes:

C A B

B A G

Continue the pattern to name the rest of the bass clef notes:

C B A _____
