

Notes in the treble clef

Musicians can remember the pitch names of the notes in the treble clef in several different ways. One way is by remembering a rhyme for the line notes:

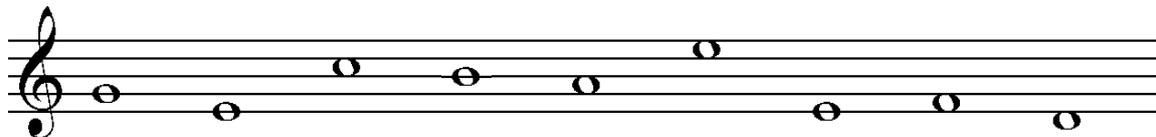

Every Good Bird Does Fly

And remembering the word FACE for the notes in the spaces.

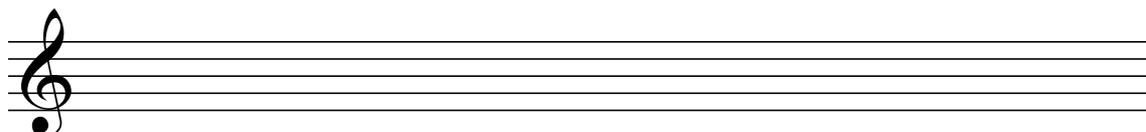

F A C E

Using the method above, identify the following notes and write their letter names underneath:

— — — — — — — — —

Draw the following notes:

C F E G B A

Decode the following 'music words':
