

Across

1. A tall instrument with strings you pluck with your fingers.
5. A string instrument with a round body that you pluck or strum.
6. A thin, silver instrument you blow across an air hole to play a tune.

Down

2. A large instrument with black and white keys you press to make sound.
3. A thin woodwind instrument you blow into to make sound.
4. An instrument you hit with your hands or a stick to make a sound.
